

RECONSTRUCTING JUDAISM

Deeply rooted. Boldly relevant.

What a Reconstructionist Approach Offers

ReconstructingJudaism.org

We approach Judaism — and life — with deep reverence for the past and a passion to relate it to the present.

In a rapidly changing world, Reconstructionist communities share and create new ways of being Jewish to connect us to the divine and ensure our lives are filled with purpose.

We view Judaism as the evolving civilization of the Jewish people in an ongoing relationship with God.

Our shared culture—rituals, traditions and practices—reflect over 3,000 years of that evolution, and we take hold of it and shape it to this day.

We break down walls that divide us, demonstrating what it means to be Jewish today, standing up for justice and creating a better world for all.

NO MORE
HARASSMENT

We have originated many of the core innovations within American Judaism and lead efforts to make our community even more forward-thinking, inclusive and relevant.

We experience—and discover—
God through our daily acts of
ritual, creative expression and
encounters with humanity, all
of which can lead to individual
spiritual fulfillment.

We are committed to democratic practice in Jewish life and believe that people hold the right—and obligation—to reconstruct Judaism in order for it to remain relevant in our lives.
